Time Management, Organization & Prioritization

January 30, 7-8pm
Marvin Center 309

Start the semester off right with some hands-on experience. Come learn about new organization and time management tools to help you have a successful Spring semester!

Finding Summer Success

February 13, 7-8pm
Marvin Center 309

The summer is a great time to explore new opportunities and adventures. At this session, come hear about the different options available to you as a GW student to have the best summer yet!

Healthy Mind, Stronger Me - Tips for Staying Well

March 6, 7-8pm
Marvin Center Continental Ballroom

Heading in to midterms and looking toward the end of the semester can be stressful. In this session the Colonial Health Center will provide you with tips and tricks to stay mentally healthy during the semester and throughout the year.

Translating Classroom Passion to the Real World

April 3, 7-8pm
Marvin Center 403

Ever wonder how you can translate your passion for ancient Greek history or plant structures into a career after graduation? Join us to hear from GW community members about what classes sparked their passion and how you can fuel yours for success!
